KRISTENE DIAZ

Front-End Developer/Graphic Design

Profile

As a graduating Bachelor of Science in Information Technology (BSIT) student, I have built a solid foundation in technology, mastering Microsoft Office, hardware and software support, graphic design, and website development. I am eager to apply my technical skills and problem-solving abilities in an entry level IT role, contributing effectively to a fast-paced and constantly changing team environment. My passion for technology, along with my commitment to continuous learning and adapting to new challenges, drives me to provide valuable support while growing professionally. I am dedicated to delivering quality results and supporting team success with my skills and enthusiasm for technology.

Work Experience

Freelance Graphic Designer/Web Development

Self-Employed (2023 - Present)

- Designed layouts and marketing materials using Canva and Photoshop.
- Designs and customized easy to navigate websites with pre-made templates, integrating design elements using HTML, CSS, and PHP.
- Led support on developing key features for a web based household registration system using PHP, HTML, and MySQL on WAMP Server, including data entry, editing, and real-time data management.
- Presented the system to a panel, earning recognition for innovation.

Extracurricular Activities

Volunteer Treasurer

Northeastern Mindanao Colleges

- Assisted in managing budgets and maintaining financial records.
- Collected and allocated funds for school events and projects.
- Supported fundraising and other organizational activities.

Training and Certifications

- WordPress CMS Training (2024)
- VB.net Training (2024)
- DICT General Virtual Assistance Training (2024)
- Joomla CMS Training (2025)
- Shopify Platform Experience (2025)
